

Boo Boo Bunny

Use thin, no bands cheap 11X11 washcloths.

Note: The package says 11X11 but they measure larger.

1. Measuring corner to corner make a little mark in the middle and 1/4 of the way down from one end.

2. Hooping- You have two choices.

1. Sew face in the hoop then unhoop and move fabric and stabilizer to sew tail.

OR

2. Hoop out of the frame using sticky back or adhesive and move the fabric only to sew tail.

3. Stabilize- Place small piece of water solvable on top. Sew out Bunny face on the 1/4 mark.

Sew out tail on the center mark

4. Finish- When done sewing it should look like this.

5. Assemble- Roll sides into center.
